

ECHODECO® BLADE WALL TILES

Price Effective - April 14, 2025

GO BOLD BUT QUIET

Make that bold statement on your wall that speaks volumes while reducing noise and balancing acoustics. Three dimensional EchoDeco® Blade Wall Tiles, made from our highly rated NRC material, create a wall art display full of textures, light patterns and geometric design.

An efficient use of space and material, each 2' x 2' tile has 10 square feet and each 2' x 4' rectangle has 20 square feet of highly rated acoustic material to give you the acoustic comfort needed for a quiet environment. Available in 6 design options and 26 colors to allow you the creativity to make your space silent and inspirational.

- Tile dimension: 23.5" square or 23.5" x 47" rectangle
- 6 three-dimensional design options
- EchoDeco® Blade Wall Tile thickness - 3/8" (9mm) with an NRC rating of 0.85.
- Tiles are available in 1 or 2 color options
- Hanging options: removable adhesive system or permanently mounted using standard construction adhesive (sold separately)
- Custom designs available
- Made in the USA
