Price Effective - August 1, 2026

SOCIAL DISTANCING PARTITIONS

Provide protection and comply with social distancing standards with our Enclav® Privacy Plus wing panels. Privacy Plus panels not only cover the length of your countertop or desk, they extend 8 inches past the surface for extra barrier protection.

MergeWorks' Privacy Plus divider wing panels can be easily added to existing furniture using a variety of removable and permanent mounting options. Manufactured in several materials that can be cleaned and disinfected, and quick to install, Privacy Plus Wings are an effective solution to safeguard everyone in your business.

- Panels extend 8 inches past desk or countertop surfaces for added barrier protection
- Available in several widths and heights for maximum coverage
- Available in materials that can be cleaned and disinfected including Acrylic and Acoustic EchoScape™
- Highly rated acoustic EchoScape™ material effectively controls noise disruptions by absorbing sound:
 - 3/8" (9mm) thickness - NRC rated up to 0.85* - available in 39 colors
 - 3/4" (18mm) thickness - NRC rated up to 0.90* - available in 10 colors
- Permanent and removeable mounting options available
- Made in the USA
- Customization available – special materials, sizes, shapes and mounting options

*NRC dependent on mounting method
