INSTANT PRIVACY

Introducing Glide™ Wing Panels—your quick fix for instant sight and sound privacy, so you can stay focused. Made from highly rated NRC acoustic material, these desk panels are designed for an easy, one-touch glide installation.

Available in multiple height, width and color options, Glide™ Wing Panels let you customize your privacy level. The Glide™ Wing Panel stands on its own—simply slide it onto your desk, twist the knob, and you're done. Privacy in seconds!

- Panels extend 8 inches past worksurface for added privacy
- Panel arrives completely assembled, no tools required; simply slide panel onto worksurface and tighten screw to secure
- Compatible with worksurface thicknesses ranging from 0.75" to 2"
- Available in several widths and heights

- 10 Acoustic EchoScape colors available, 3/4" (18mm) material thickness with an NRC rated up to 0.90*
- Custom sizes and designs available
- Made in the USA

*NRC dependent on mounting method
