

ECHODECO® BLADE WALL TILES

Price Effective -September 19, 2022

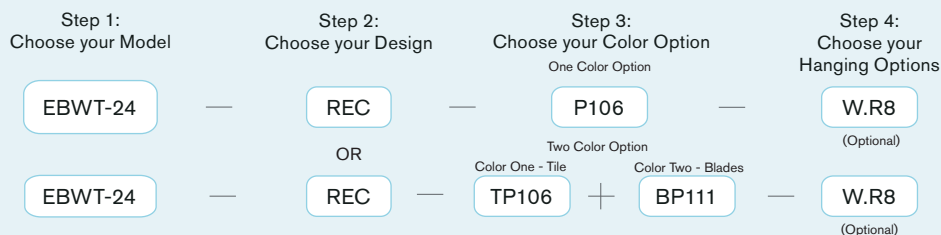

GO BOLD BUT QUIET

Make that bold statement on your wall that speaks volumes while reducing noise and balancing acoustics. Three dimensional EchoDeco® Blade Wall Tiles, made from our highly rated NRC material, create a wall art display full of textures, light patterns and geometric design.

An efficient use of space and material, each EchoDeco Blade Wall Tile has 10 square feet of acoustic material to give you the acoustic comfort needed for a quiet environment. Available in 6 design options and 26 colors to allow you the creativity to make your space silent and inspirational.

- Tile dimension: 23.5" square
- Each Tile has 10 sq ft of acoustic material
- 6 three-dimensional design options
- EchoDeco Blade Wall Tile thickness - 3/8" (9mm) with an NRC rating of 0.85.
- Tiles are available in 1 or 2 color options
- Hanging options: removable adhesive system or permanently mounted using standard construction adhesive (sold separately)
- Custom designs available
- Made in the USA
