

COM TERMS, CONDITIONS AND LIMITED WARRANTY

MergeWorks, (the “Company”) is able to use Customer’s Own Material (COM) on all tackable fabric components. COM products are priced at the standard Grade 1 fabric price level. The cost of the fabric and delivery are additional costs that are not included in the Company pricing and are the responsibility of the customer. It is the responsibility of the customer to ensure the material is shipped and labeled appropriately to the Company facility.

All COM materials must be approved for suitability prior to placement of Purchase Order. **Only fabrics with backers will be approved.** It is the customer’s responsibility to determine if the material is appropriate for the application specified and that it meets applicable codes and regulations. Company testing is strictly to verify that the material is compatible with our manufacturing process.

LIMITED WARRANTY:

Company does not accept responsibility for unsatisfactory results, overall appearance, fabric defects, flammability, normal durability, color fastness or any other quality issue after shipping.

Company does not warrant any product manufactured with COM, regardless of cause or cost. In the event a replacement of a product is needed, customer assumes responsibility for the cost of the new product, including the cost of replacing any COM fabric, all incidental damages, repairs, labor or other costs incurred in removal, return or reinstallation of such product.
