ARTISTRY™ ROOM DIVIDERS

Acoustic, decorative, and mobile—the freestanding EchoDeco® Villa Wall™ fits the bill to complete any space. Versatile and functional, the EchoDeco® Villa Wall™ can be hinged together to create quiet huddle spaces, break rooms, waiting rooms and private work areas without incurring costly construction. For an instant reconfiguration, add casters to move walls whenever and wherever needed.

EchoDeco® Villa Walls™ divide space and provide acoustic comfort with a “WOW” factor. Our 2-sided wall features your design differently on each side. One side will feature your cut-in design on top of your base color. The opposite side uses the pop-out pieces from your design to allow the base color to take center stage.

Our 9mm acoustic EchoScape™, with an NRC rating of 0.85, effectively controls noise disruptions by absorbing sound. Available in 39 colors, 10 designs, and 2 frame colors, the design possibilities for your EchoDeco® Villa Wall™ are endless. Combine colors and designs to create your signature look.

- Choose your design finish on each side
- Choose from 10 designs and 39 colors
- Framework is constructed using lightweight aluminum extrusion and available in black or silver
- Ships fully assembled, just add your foot option
